Sentencing.

Sentencing Alternatives and Best Practices · Judge

Five questions to ask before you sign.

These are the questions the offer does not answer for you.

1	CDL EXPOSURE	Does this defendant hold a CDL? If yes, will the disposition trigger 49 CFR §383.51?
2	REFUSAL	Has the §16-205.1 administrative track been resolved? First refusal = 270 days (HB 105).
3	PBJ WINDOW	Is the §6-220(f) ten-year bar clean? Any prior PBJs in the look-back window?
4	TREATMENT	What does the substance use evaluation say? What does the defendant want today?
5	THE FAMILY	Who else loses something if this defendant loses driving? Who depends on this license?

CLOSE

What you take back to the bench.

01 **Test before you accept.**
Once the bench accepts the amendment, the bench owns it.

02 **CDL is a federal question.**
49 CFR §383.51 and §384.226 do not bend to a state PBJ.

03 **A license is not the only loss.**
Find out who else loses something when the defendant loses the keys.

04 **The blocks talk to each other.**
GLS, MAB, and non-citizen all show up at sentencing. They are one block.

Option B

Burgundy Brief

Burgundy and brass. Warm and formal.
