Learning Outcomes

From the 2026 Course Information Form, as written:

1. Judges will learn how to effectively handle problem drivers and the minor traffic sentencing alternatives available.
2. Judges will be provided with strategies to use to correct destructive and repetitive behavior of problem drivers and best practices.
3. Judges will learn about the MVA Graduated Licensing System and Medical Advisory Board.
4. Judges will here from the licensing agency concerning reading and interpreting Driving Records.
5. Judges will learn the nuts and bolts about Masking.
6. Judges will learn about the eligibility requirements of non-citizens for obtaining licenses. [entry incomplete on the source form]

Program Description

A full-day program for District Court judges on incarcerable and non-incarcerable traffic offenses and the sentencing options that go with them: sentencing alternatives for problem drivers, the MVA Graduated Licensing System, driving records, non-citizen licensing, the Medical Advisory Board, and masking. Case studies and Slido polling run through the day, and the program closes with a table scenario on the new reckless driving law. (Official description on the 2026 Course Information Form.)
